Ref Your letter No I 12125-38/ L 182-53-8 dated 28th December 1954

Fig "X"

When the subject came up for the consideration of the Council at their meeting held on 31-5-1955 the Council wished to bring to the kind notice of the Government that the Government of India have acceeded to the request of the Local Bodies with regard to the payment of the Municipal taxes in respect of the buildings owned by them and a similar gesture on the part of the State Government would greatly help the Local Bodies in increasing their finances As far as this city is concerned there are a number of buildings owned by the Government and if the Government were to be pleased to accede to the request of the Council for payment of the taxes considerable amount would be realised by way of revenue which would help the Council in meeting the normal charges of maintenance of general sanitation and other amenities The Council have therefore resolved to request the Government to reconsider their decision in this behalf I enclose a copy of the resolution and request that orders of Government in this behalf may

kinlly be obtained and necessar action taken to provide for the levy of taxes on properties belonging to State Government

Yours faithfully,
